

# Super fast internet is here.

Now is the time to switch to Smerno.

## Speed:

- Generate speeds of up to 100Mbps\*

## Reliable Network

- We are running a stable network across five International undersea cables and redundant domestic paths.
- Redundant paths not affected by SA shortages.

## Customer Care

- 24/7 Customer Care
- We manage your ADSL Line. Log faults with Smerno.
